

## Shape the Future of Real Estate Appraisal with Accurity Canada

**Position:** Designated Appraiser - Local Market Expertise

**Location:** We're expanding Across Canada

Are you ready to elevate your career with a company that's redefining the real estate appraisal industry? Accurity Canada is a forward-thinking national firm bringing together top-tier talent, cutting-edge technology, and a fresh approach to appraisal. We're hiring driven AIC professionals to join our growing team and be part of shaping the future of the real estate appraisal industry.

### Why Choose Accurity Canada?

- **Innovative:** Join a company at the forefront of technological advancements, leveraging streamlined workflows and modern tools to deliver industry-leading accuracy, speed, and quality.
- **Work-Life Balance:** We prioritize balance, so you can thrive both in your career and personal life.
- **Unmatched Support:** Focus more on valuation versus data entry with full administrative assistance, modern tools and collaborative support with a network of like-minded expert appraisers to set you up for success.
- **Limitless Growth Potential:** Shape your career path with opportunities to focus on what drives you—whether it's excelling in traditional appraisals, exploring diverse property types, mentoring the next generation, or stepping into leadership roles.
- **Unparalleled Compensation:** Enjoy a tailored compensation package that fits your goals—whether commission-based or salaried—with potential for added perks such as revenue-sharing opportunities, comprehensive benefits, insurance coverage, and full support for dues and data costs.

Accurity Canada provides stability and structure in an evolving industry, empowering you to adapt and excel in the face of change. This is more than just a job—it's your opportunity help shape the future of real estate appraisal.

### Who You Are:

- A newly designated or established designated appraiser, ready to bring your expertise to a dynamic, innovative team.
- Willingness to adopt technology, with proficiency in Microsoft Office and web-based applications.
- A collaborative communicator with strong interpersonal and teamwork skills.
