## Intern, Real Estate Appraisal

### PROFIL

I want to do an internship in real estate evaluation, a field in which I studied and obtained my bachelor's degree. I would like to put into practice the principles, methods, theories, tools and techniques that have been taught to me.

I am creative, interested in learning, ready to commit and above all, eager to start my career. I have very good experience with customer services around the different jobs I've maintained.

### EXPERIENCE
